

Hello,

Congratulations and thank you for your inquiry! We would love to host your wedding and we still have several dates available in 2023 & 2024. Below is pricing and general information about the event space. Links to preferred caterers and other vendors are on our website: SantaFeWedding.Love

This historic adobe gallery and event space on Canyon Road is a very unique and charming spot filled with character and history. If you are looking to avoid the hotel vibe and experience something authentic you will love it here. Tall ceilings, wooden dance floors, great acoustics, large shade trees, flagstone patios, a dance floor, an arbor, and a large open space in the garden. Lots of flexibility to make the indoors and outdoors work for you. When you book our event space you have complete privacy, the entire grounds are yours.

Please know that we provide the space for the party while our preferred caterers supply all the rentals for your ceremony and/or reception. They will also let you purchase your alcohol and provide you with a server.
